

The image features a close-up of a black MACAP coffee machine. The machine has a digital display showing two coffee cup icons and the text '7.25 s'. Below the display is a stainless steel spout. The background is dark with a large white circle. The MACAP logo is in the top left, and the text 'linea M42' and 'M42 line' are in orange on the left side. The bottom left corner contains the text 'made in italy macap.it'.

INNOVATION in grinding

Fondata nel 1930, MACAP è considerata un'azienda di riferimento nel panorama mondiale dei produttori di macinadosatori. Decenni di esperienza hanno permesso di fornire risposte tecnologiche alle più attuali esigenze del mondo del caffè macinato. I prodotti MACAP sono il risultato di accurate scelte industriali in cui un patrimonio tecnico di generazioni si fonde con le nuove tecnologie.

Founded in 1930, MACAP is among the oldest and most respected manufacturers of coffee grinders in Italy. Thank to many decades of expertise and a history on dynamic and progressive innovations of unique equipment solutions for the espresso industry. MACAP products are the standard for quality and innovation in the field of coffee.
